

360° Tour in San Cristobal, Galapagos Islands

White Rose Bay, Sardine Bay, Punta Pitt, Cerro Brujo and the famous Kicker Rock (León Dormido). 360° tour is taking a complete tour of San Cristobal Island. Visiting beaches, bays and snorkeling in mesmerizing spots. A day tour complete in fun and diversity.

Itinerary:

Meeting time at 7:00 a.m. We leave the Port of San Cristóbal and head towards Bahía Rosa Blanca, a small bay located in the Southeast of the Island. Its main attraction is its Grande beach, a unique landscape with crystal clear waters and white sand.

There is a presence of whitetip sharks, rays and sea turtles, ideal for snorkeling. We set sail to Punta Pitt to carry out the fishing activity that will take us around 30 minutes, and at the same time we will be able to appreciate the sighting of three species of boobies.

We are going to Sardina Bay, the ideal place for fishing several species. This bay has two beach dunes with white sand and crystal clear water, ideal for snorkeling taking into account the presence of turtles, rays and sea lions.

We headed towards Cerro Brujo to take photography from the boat. Then we go to León Dormido, the magnificent islet that rises 500 feet from the ocean, here we will snorkel and it is the favorite place to observe hammerhead sharks, turtles and various species of fish.
